

2021 Saturday & Sunday

Permanent Tee Times

Permanent Tee Time Cancellations

Cancellations should be made at least 24 hours before the designated tee time. Please be courteous and allow other golfers the opportunity to play the course in the event you are unable to use your permanent tee time.

Permanent Tee Time Pace of Play

We want you to enjoy your experience on the golf course. Pace of play is an important component to achieving this. All permanent tee time groups must keep pace with the group ahead of them. Remember, everyone who follows you on the course is affected by your pace of play. Pace is for the enjoyment of all players.

The starter will record start and finish times for each group. Any group that establishes a pattern of slow play may be asked to move to a time at the end of the session or forfeit their time.
