

2022 Saturday + Sunday

Permanent Tee Times

Permanent Tee Time Program

The 2022 permanent tee time program offers 20-weeks of reserved tee times, walking, on either Saturday or Sunday morning. The season will begin the weekend of April 30 and continue through the weekend of September 10. A complete foursome is required to obtain a permanent tee time.

Permanent Tee Time Cancellations

Cancellations should be made at least 24 hours before the designated tee time. Please be courteous and allow other golfers the opportunity to play the course in the event you are unable to use your permanent tee time.

Permanent Tee Time Pace of Play

We want you to enjoy your experience on the golf course. Pace of play is an important component to achieving this. All permanent tee time groups must keep pace with the group ahead of them. Remember, everyone who follows you on the course is affected by your pace of play. Pace is for the enjoyment of all players.

The starter will record start and finish times for each group. Any group that establishes a pattern of slow play may be asked to move to a time at the end of the lineup or forfeit their time.
