

## Women's 9-Hole League 2022

We invite you to join for the 2022 season!

The Women's 9-Hole League provides playing opportunities for women of all skill levels. Members of the league play Tuesday mornings on the front or back "9" of the 18-hole course. The 9-Hole League features organized weekly events (participation in the weekly events is optional) and a Season Ending Luncheon.

The League welcomes new members and encourages players of all abilities to join the fun, social, and welcoming golf environment. It is an excellent opportunity to play golf at your own leisure and provides a unique platform to meet others who share a common interest in the game of golf. Play socially or enter a score in the weekly event; it's your choice. Members are NOT assigned tee times, they are responsible for making their own (we can assist in helping new comers find groups to join up with). It's a great opportunity to meet new golfers.
